I FOREVER WILL CHRISTIAN MARRIAGE COUNSELING

## Marriage Intensive Sessions

Currently, your situation may feel like you're pulled so far apart and there is too much damage done to save your marriage.

However, before you close the door forever, you owe it to your children, family and yourselves to do everything possible to save your marriage.

Intensive sessions allows you the uninterrupted time to put in the additional work you need to help save your marriage.

These intensive sessions will help you make the progress you want.

## *Benefits of Marriage Intensives*

Even with weekly marriage counseling, challenges may arise that can make it difficult to get to root issues in a 60 minutes session.

Marriage Intensives are exclusive, extended periods of counseling occurring over multiple hours or days. With our intensives, you will notice the following benefits immediately...

- Longer sessions over a short span of time helps remediate faster results
- Helps each other understand your triggers to avoid overstepping your boundaries
- Confronts marital challenges head-on and provides alternative ways to handle them
- Provides essential relationship tips to take home
