## Flexible Payment Plans

- Our Flexible Payment Plan is designed to make counseling more accessible and affordable for clients.
- This plan allows clients to pay for their counseling packages in convenient installments, making it easier to budget for their counseling sessions.

## Key Features

- **Package Selection:** Clients can choose from our range of counseling packages, whether they involve individual sessions, couples' sessions or a combination of both.
- **Installment Payments:** Instead of paying the entire package cost upfront, clients can opt for a flexible installment plan. For example, if a package costs \$1,000, clients could choose to pay in four equal installments of \$250 each.
- **Savings with Long-Term Commitment:** Opting for the Flexible Payment Plan not only makes counseling more affordable, but also demonstrates our commitment to supporting your journey.
- Clients who choose this plan can enjoy significant savings, with discounts of up to 20% off our regular session rates. This means that the longer you commit to your well-being, the more you save

## Eligibility

- The Flexible Payment Plan is available to all clients who select counseling packages with a minimum session commitment. It provides clients with the flexibility to access quality counseling services without a large upfront payment.

## Benefits:

- **Affordability:** Clients can spread the cost of counseling over time, making it more budget-friendly and accessible
- **Savings:** Clients can benefit from discounted rates compared to individual session pricing
- **Commitment:** Longer-term commitments often lead to better outcomes in counseling, which is encouraged through this plan
